unbracket LB 10. Have you all voted? Motion is to unbracket LB 10 on select file. Place it before the body at this time, have you all voted? Clerk will record.

CLERK: 25 ayes, 15 nays, 9 not voting.

PRESIDENT: Very good. The bill is unbracketed. Take it up at this time. Senator Warner.

SENATOR WARNER: Mr. President, I move adoption of the amendment.

PRESIDENT: Senator Warner.

SENATOR WARNER: I don't believe I have any additional remarks, Mr. President and I think everyone understands the issue unless someone else does.

PRESIDENT: Very good. Chair recognizes Senator Stahmer. We have before us the Warner amendment to LB 10.

SENATOR STAHMER: Just a point of clarification. If I understand Senator Warner right and I believe him to be correct in this matter, it is only now the legislature that can do this for this year. The only thing the Governor and or the board of equalization can do for it would be for the coming year. Is that not right Senator Warner?

PRESIDENT: Senator Warner, do you care to respond?

SENATOR WARNER: Yes, Senator Stahmer, that would be correct.

PRESIDENT: Is there any further discussion of the motion now? Question is then, shall the Warner amendment to LB 10 be adopted? All those in favor vote aye, all those opposed vote no. Question is, shall the Warner amendment to LB 10 be adopted? Have you all voted? Clerk will record, excuse me, wait a minute, Senator Waldron, go ahead if you want to vote. I'll wait for you. I didn't quite see you coming in. Have you all voted? Clerk will record.

CLERK: 25 ayes, 16 nays, remainder not voting.

PRESIDENT: Amendment is adopted. Senator Warner.

SENATOR WARNER: I move the bill be advanced.

PRESIDENT: Motion is to readvance the bill. All those in favor of readvancing the bill vote aye, all those opposed vote no. Senator Syas, let me explain, I didn't intentionally pass you by. All the lights on board are all lit up and I can't see your white light when everything else.

SENATOR SYAS: You are going to advance the bill, but I probably don't take up a lot of time early in the morning around here. We've had a silly hour all session, most everyday. I want to ask Senator Warner a question is all. I understood you made the statement rectoactive to January 1, now what did I make rectoactive legislation.

SENATOR WARNER: As I understand, there is no problem with setting the rate to be effective as of last January.

SENATOR SYAS: How can you make a rectoactive, I'm talking about the income tax, how can you do it. Rectoactive. I just asked the question that is all. I guess you don't.
